

Student Work and Media Release Form

Why am I signing this form?

This form allows the teacher through the consent of the parent/guardian to use and share work samples, pictures, video and performances of in-class activities and any personal documentation created by the student named on this form.

How will this documentation be used?

Documentation collected is for the sole purpose of improving classroom instruction. Students will be notified prior to samples being shared to other groups or individuals.

Where will this media be visible?

Select student samples can be viewed on classroom and school-wide bulletin boards, as part of lessons/activities, on the classroom web-page, and through online media publications.

Declaration of Students Rights

All documentation collected can be used for instructional purposes only. Students will maintain copyright to the works produced and may request it be omitted or removed from participation in public display.
